William East was a native of Waltham, in Leicestershire, and from documents available it would appear that he was buried there on 15 August 1758, and that he was William East, Junior. Psalm 22 appears in his *Voice of Melody Book 2*, dating from 1750. British Library Ref: A.914. being transcriptions made from microfilm. [www.psalmody.co.uk](http://www.psalmody.co.uk) gives more details of his compositions, transcriptions and editing of other early publications of that time.
