Churches and Chapels Thanet, Kent

<u>Scope</u>

Churches, Chapels and their clergy, gleaned from the following main sources :

- History, Gazetteer and Directory of the County of Kent, by Samuel Bagshaw (1847)
- The Post Office Directory of Kent (1851)
- Post Office Directory of Kent (1867)
- Kelly's Directory of Kent (1890)

The following sources are also used where they identify an incumbent who was not listed in the preceding directory :

- Census of the Thanet Registration District (1881 transcript)
- Census of the Thanet Registration District (1891 original)

Arrangement

Entries are listed under the relevant town or village, grouped as follows :

- Church of England Churches & Chapels of Ease
- Baptist Chapels
- Calvinist Chapels
- Congregationalist Chapels (including Independent Chapels)
- Countess of Huntingdon's Connection Chapels
- Jewish Synagogues
- Primitive Methodist Chapels
- Roman Catholic Churches
- Unitarian Chapels
- Wesleyan Methodist Chapels

Entries provide brief details relating to the church or chapel, and their associated clergy.

- early directories give limited details for non-conformist chapels, and in consequence some may appear under more than one heading; and some entries may prove to include details for more than one chapel
- dates quoted for the start of registers are from miscellaneous sources, and are guidelines only ~ dates for baptisms, marriages & burials may differ; and in some instances there are no burials or marriages
- in most cases only the senior serving clergyman is listed.

There is a Clergy Index starting on page 10.
